

NCH Capital in partnership with Nilfisk Alto

Financing the highest quality maintenance equipment in partnership with europe's number 1 equipment manufacturer

Â Problems with purchasing equipmentÂ FINANCIALÂ

- High initial capital expense
- Need to find lump sum all at once
- Limited capital budget
- Need to replace every few years
- Risk of equipment becoming obsolete
- Supplier continually making improvements
- High cost for customers only buying limited quantities
- No purchasing powerÂ SOLUTION: NCH CapitalÂ FINANCIALÂ
- No initial cash sum to find
- Brand new replacement upon renewal at end of lease period
- New equipment every few years
- Exceptionally good lease terms, usually lower total cost than paying all up frontÂ

Â Problems with maintaining equipmentÂ SERVICE/MAINTENANCEÂ

- Standard manufacturer's warranties only 1 year with no option to extend
- Limited service network from many equipment suppliers
- Increasing maintenance issues and cost as the equipment gets olderÂ SOLUTION: NCH
