

Great Reasons to Buy from Friendly Systems

- In Business since 1919! - Our international laboratories have been continuously developing new products.
- Our Guarantee - Every Friendly Systems product carries a 30 day guarantee of performance and quality. If you are not completely satisfied, simply contact your Friendly representative.
- Superb Value - Friendly Systems products have been designed with your budget in mind. Most products are highly concentrated for greater strength to save time and labour cost.
- Free Technical Assistance - A phone call puts you in touch with a technical advisor for more information about product performance, application tips and product recommendations.
- Quick Ordering-Fast Delivery - Just call your Friendly sales representative. Your order will be sent within three working days, however, if you need it earlier, your representative can arrange for express delivery.
- BS5750/ISO-9002 Approved Quality System - All chemical products are manufactured in accordance with a BS5750/ISO-9002. All product labelling meets or exceeds CHIP requirements so you can be assured you are in compliance.
- Look for the green umbrella to identify the most environmentally friendly products.
